Friends,

I had the honour to stand up in the House of Commons on June 12th, and vote in favour of MP Władysław Lizon's (Mississauga East—Cooksville) Private Member's Bill C-266, "An Act to Establish Pope John Paul II Day." I am pleased to inform you that the bill has passed the House of Commons and will now be referred to the Senate.

However, I was saddened to see NDP Leader Thomas Mulcair and 41 other members of his NDP caucus vote against this bill. Blessed Pope John Paul II was a champion of freedom in the face of tyranny and promoted universal values of human rights and democracy. He was an inspiration to many and it is unfortunate that nearly half of the NDP Caucus, including their leader, voted against this bill to honour a modern day hero.

Blessed Pope John Paul II was not only a religious figure, but also a profoundly important civic leader who built lasting relationships with other faith groups. As the Bill is now going to be considered by the Senate, I invite you to express your support for this initiative by signing the following online petition on my website:

Kind regards,

Hon. Jason Kenney, PC, MP
